Case No. AP-78-31

By application filed August 25, 1978, Suburban Transit Company seeks temporary authority to transport passengers from specified points in the Metropolitan District to the Capital Centre, Largo, Md., and return. The points to be served and the material submitted in support of the application have all been considered in connection with prior applications by Suburban.

Order No. 1878, served September 11, 1978, is dispositive of this application. Therein, Suburban was found to be unfit to operate as a regulated carrier under the criteria of the Compact. No evidence submitted with this application warrants a contrary conclusion. Accordingly, absent an affirmative showing that Suburban is now fit, willing and able properly to perform the proposed service and to conform to the provisions of the Compact and our lawful requirements thereunder, this application must be denied.

THEREFORE, IT IS ORDERED that the above-referenced application of Suburban Transit Company be, and it is hereby, denied.
